

# Classroom Behavioral Norms

Dear Students and Parents,

As we embark on a new school year, it is essential to establish a clear understanding of the behavioral norms that will guide our classroom environment. Our goal is to create a safe, respectful, and productive space for learning.

## Behavioral Norms

- Respect each other and our learning environment.
- Listen actively when others are speaking.
- Be kind and supportive to your peers.
- Follow instructions the first time they are given.
- Take responsibility for your actions and words.
- Keep hands, feet, and objects to yourself.
- Work collaboratively and help one another.

We believe that adherence to these norms will enhance our educational experience and facilitate a community of learners. Thank you for your support in reinforcing these behaviors at home.

Sincerely,
