

Collaboration Feedback Inquiry

Dear [Recipient's Name],

I hope this message finds you well. As we reflect on our recent collaboration on [Project Name], I wanted to reach out to gather your thoughts and feedback on the experience.

Your insights are invaluable to us as we strive to improve our partnerships and project outcomes. Could you please take a moment to share your perspectives on the following:

- What aspects of the collaboration did you find most successful?
- Were there any challenges you encountered during the project?
- How do you feel about the communication and support throughout the collaboration?
- Any additional comments or suggestions for future projects?

Thank you for your time and feedback. We greatly appreciate it and look forward to hearing from you soon.

Best regards,
