Subject: Partnership Risk Assessment Guidelines

Dear [Partner's Name],

We are committed to fostering a successful partnership between our organizations. As part of our ongoing efforts to ensure the safety and efficiency of our collaboration, we have developed the following risk assessment guidelines:

## 1. Identify Potential Risks

- Operational Risks
- Financial Risks
- Reputational Risks
- Compliance Risks

## 2. Assess Risks

For each identified risk, please evaluate the likelihood of occurrence and the potential impact on our partnership.

## 3. Mitigation Strategies

Develop strategies to mitigate each risk, including contingency plans and resource allocations.

## 4. Monitor and Review

Regularly review the partnership's performance against the risks identified and adapt strategies as necessary.

Thank you for your attention to this important matter. We look forward to your feedback on these guidelines.

Best regards,
