Subject: Proposed Exit Strategy

Dear [Partner's Name],

As we continue to grow and evolve our partnership, I wanted to address the potential for an exit strategy that aligns with our goals. Developing a clear plan will ensure that we can transition smoothly when the time is right.

1. Objectives of the Exit Strategy

- Ensure financial security for both parties.
- Define the timeline for exit.
- Outline the roles and responsibilities post-exit.

2. Valuation of the Business

A thorough valuation of the business will be conducted to establish a fair price for exit. I propose we engage a third-party expert to assist in this process.

3. Transition Plan

We should create a detailed transition plan that includes timelines, succession planning, and communication strategies.

4. Legal Considerations

Consulting with legal experts to update our partnership agreement will be essential to ensure compliance and protection of both our interests.

I believe that by laying out these points, we can facilitate a constructive discussion about our exit strategy. I am looking forward to your feedback.

Best regards,
