Dear Members of the Board,

I am writing to you in my capacity as a shareholder of [Company Name]. As an investor in this company, I am increasingly concerned about our efforts toward sustainability and the lack of transparency surrounding our sustainability metrics.

It is imperative that we adopt clear and quantifiable sustainability goals and that we transparently communicate our progress in meeting those goals. I urge the Board to provide a comprehensive report on our sustainability practices, specifically addressing:

- Current sustainability metrics and goals
- Methods of tracking and reporting these metrics
- Strategies for improvement and future commitments

By addressing these aspects, we can enhance stakeholder trust and contribute positively to our corporate reputation. I appreciate your attention to this critical matter and look forward to your prompt response.

Thank you for your consideration.

Sincerely,
