

Shareholder Proposal for Sustainability Report Inclusion

[Date]

[Company Name]

[Company Address]

[City, State, Zip Code]

Dear [Board of Directors/Specific Name],

As a shareholder of [Company Name], I am writing to propose the inclusion of a dedicated section on sustainability and environmental responsibility in the company's upcoming annual report. This proposal reflects the growing interest and importance of sustainability practices among investors and stakeholders.

The significance of sustainability reporting has been increasingly recognized as companies face heightened scrutiny regarding their environmental impact and efforts towards sustainable practices. By including a sustainability section, [Company Name] would not only demonstrate its commitment to responsible business practices but also enhance transparency and accountability to its shareholders.

Specifically, I propose that the sustainability report encompass the following:

- Current sustainability initiatives and goals
- Metrics and performance related to environmental impact
- Risk management strategies concerning climate change
- Employee and community engagement in sustainability efforts

I believe that adopting this proposal would positively influence our brand, attract socially-conscious investors, and align with global sustainability standards.

Thank you for considering this important proposal. I look forward to your positive response and to seeing [Company Name] lead the way in sustainable business practices.

Sincerely,

[Your Name]
