

Dear Shareholders,

We are committed to enhancing the security of your personal and financial information. In light of recent developments in data security, we are implementing a series of measures to protect your data from unauthorized access and breaches.

Our Initiatives Include:

- Upgrading encryption protocols for all shareholder data
- Conducting regular security audits and vulnerability assessments
- Enhancing our employee training programs on data security
- Implementing multi-factor authentication for account access

We understand the importance of your data security and are dedicated to providing you with peace of mind regarding your investments. Thank you for your continued trust and support.

Sincerely,
The Management Team
