Dear [Shareholder's Name],

We are reaching out to provide you with guidance regarding your investment in our convertible bonds as we approach the upcoming decision period.

## Overview of Convertible Bonds

Convertible bonds offer the unique opportunity to convert your bond holdings into shares of our company. This flexibility can provide potential appreciation based on the performance of our underlying stock.

## Important Considerations

- **Market Conditions:** Assess the current market situation and how it may affect the value of our stock.
- **Conversion Terms:** Review the specific terms of conversion, including timing and the conversion rate.
- **Long-Term Strategy:** Consider your long-term investment strategy when deciding whether to convert.

## Recommendations

We recommend engaging with an investment advisor to ensure your decisions align with your financial goals. Additionally, please stay informed by reviewing our regular updates and financial reports.

## Contact Information

If you have any questions or need further assistance, please do not hesitate to contact our investor relations team at [Contact Information].

Thank you for your continued support.

Sincerely,
