

School Transportation Safety Guidelines

Date: _____

Dear Parents and Guardians,

As we embark on a new school year, we want to ensure the safety and well-being of all students during transportation. Please take a moment to review the following guidelines:

- Students must arrive at the bus stop at least 5 minutes before the scheduled pickup time.
- All students are required to wear seatbelts while on the bus.
- No food or drinks are allowed on the bus to prevent spills and distractions.
- Students should wait for the bus to come to a complete stop before boarding or exiting.
- Respect the bus driver and follow their instructions at all times.
- Students must remain seated while the bus is in motion.
- Parents are responsible for the safety of their children while walking to and from the bus stop.

We appreciate your cooperation in ensuring a safe transportation experience for all students. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,
