Dear [Lender's Name],

I am writing to formally request assistance regarding my current financial hardship and the looming threat of foreclosure on my home located at [Property Address]. As of [Date], I have been unemployed due to [brief explanation of the reason for unemployment]. Despite my efforts to secure employment, I have been unable to find a job and my financial situation has worsened.

As a result, I am struggling to make my monthly mortgage payments and am concerned about the possibility of foreclosure. I sincerely wish to resolve this matter and keep my home. I am seeking any available options, such as loan modification, forbearance, or any other assistance programs that could help me during this difficult time.

I have attached supporting documentation, including proof of unemployment and my financial statements, to help illustrate my current situation. I am hopeful that we can find a solution that is mutually beneficial.

Thank you for your consideration of my request. I appreciate any assistance you can provide. I look forward to your prompt response.

Sincerely,

[Your Name]
