Dear [Loan Servicer's Name],

I hope this letter finds you well. I am writing to formally request consideration for student loan debt forgiveness due to the closure of [Name of the School] where I pursued my education.

The closure of [Name of the School] on [Date of Closure] has significantly impacted my educational journey and future career prospects. Despite my commitment and investment in my education, the inability to complete my degree has left me in an untenable financial situation.

As a result of the school's closure, I am unable to access the promised education and resources necessary for my career. I have incurred substantial loan debt with the understanding that I would receive a quality education that would lead to gainful employment. Unfortunately, this has not materialized.

I am requesting that you review my case for debt forgiveness, as the circumstances surrounding my education were beyond my control. I believe this request aligns with the principles of providing relief to borrowers impacted by school closures.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,

[Your Name]
