Dear [Credit Bureau Name],

I am writing to formally request a reconsideration of my credit score, which I believe does not accurately reflect my current financial situation following recent debt resolution efforts.

My name is First Name Last Name, and my Social Security Number is [SSN]. I have recently resolved several outstanding debts, including [briefly describe resolved debts]. These actions have positively impacted my financial standing but have not yet been updated in your records.

I kindly request a review of my credit report and an adjustment of my credit score to reflect these changes. Attached are the documents evidencing the resolution of my debts, including [list any attached documents].

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
