Dear [Lender's Name],

I hope this message finds you well. I am writing to formally request a reconsideration of the interest rate applied to my loan [Loan Number or Type of Loan].

Given my consistent payment history and improved credit score since the origination of the loan, I believe that a review of my current interest rate would be beneficial.

I appreciate your understanding and am willing to provide any additional information you may require to facilitate this review. Thank you for considering my request.

Sincerely,

[Your Name]
