Dear Customer Service,

I am writing to formally contest my recent utility bill dated [Bill Date], with account number [Account Number]. I have noticed that the amount charged is significantly higher than my usual bills.

According to my records, the expected usage for the month of [Month] averages around [Average Usage]. However, this bill indicates a consumption of [Charged Usage], which does not align with my usage patterns.

I respectfully request a detailed explanation of the charges and a review of my billing history. Please provide any necessary adjustments or corrections to my account based on your findings.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
