Dear [Recipient's Name],

I hope this message finds you well. I am writing to inquire about the debt resolution counseling options available through your organization. Given my current financial situation, I believe that professional guidance would be beneficial in helping me navigate my debt management.

I would like to know more about the services you provide, the costs associated with them, and the process involved in receiving counseling. Additionally, if you have any materials or information regarding your programs, I would greatly appreciate it.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
