Dear [Loan Servicer's Name],

I am writing to formally request a deferment of my student loans due to my responsibilities as a caregiver for my dependents. My loan account number is [Your Loan Account Number].

As a primary caregiver for [Number of Dependents] dependents, including [describe dependents, e.g., children, elderly parents], I am currently unable to meet my monthly payment obligations. This situation has significantly impacted my financial stability and my ability to focus on my education and career.

I am aware of my rights and the options available to me under the Federal Student Aid program, and I believe that a deferment is necessary at this time. I am fully committed to my education and understand the importance of resolving this matter responsibly.

Attached are documents supporting my request, including proof of my dependent's situation and any relevant financial statements.

I appreciate your understanding and assistance in this matter. I look forward to your prompt response.

Sincerely,
