Subject: Request for Adjustment of Credit Limit

Dear [Customer Service Department/Specific Person's Name],

I am writing to formally request an adjustment to the credit limit of our business account, [Your Account Number]. As [Your Company Name] has continued to grow and expand, we have found that our current credit limit is becoming insufficient to meet our operational needs.

Over the past [duration], we have consistently demonstrated responsible usage of our credit, as seen in our prompt payments. Our business has recently experienced [briefly describe any growth or positive changes], which has led us to require an increased credit limit.

We are requesting an increase in our credit limit to [desired amount], which will allow us to [briefly explain how the increased limit will benefit your business]. We believe that this adjustment will further strengthen our partnership and improve our operational efficiency.

Thank you for considering our appeal. We appreciate your support and look forward to your favorable response. Please feel free to reach out to me directly if you have any questions or require further information.

Sincerely,

[Your Name]
