To Whom It May Concern,

I am writing to formally request a reconsideration of my application for student loan forgiveness. My application was submitted on [insert date], and I was recently notified of its denial.

As a dedicated [your profession/field of study, e.g., teacher, nurse] who has devoted [number of years] years to serving [mention any relevant community or population], I believe I meet the criteria for forgiveness as outlined in [cite specific program or policy].

My financial challenges have significantly affected my ability to [mention any hardships faced]. Thus, the opportunity for forgiveness would greatly alleviate my burden and allow me to continue contributing positively to my community.

I have attached supporting documents that provide further evidence of my eligibility and demonstrate my commitment to [mention your profession or cause]. I kindly ask you to review my case with care and reconsider my application.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
