Subject: Demand for Independent Debt Audit

Dear [Creditor's Name],

I am writing to formally request an independent audit of my credit card debts associated with account number [Your Account Number]. I believe that a thorough examination of my account statements and payment history is necessary to ensure accuracy and fairness in the charges applied.

Please provide me with a detailed breakdown of my account, including, but not limited to, the following:

- All charges applied to my account
- Any fees or penalties incurred
- Payment history
- Interest rates applied
- Any settlements or agreements reached

I request that this independent audit be conducted by a third-party auditor to guarantee impartiality. Please confirm receipt of this letter and provide me with information on how we can proceed with this audit.

Thank you for your prompt attention to this matter.

Sincerely,

[Your Name]
