

Patient Discharge Summary

Patient Name: John Doe

Date of Birth: January 1, 1980

Date of Admission: September 1, 2023

Date of Discharge: September 15, 2023

Summary of Treatment

During the patient's stay, he/she received rehabilitation services including physical therapy and occupational therapy to address mobility issues stemming from a recent surgical procedure.

Progress Notes

The patient demonstrated significant improvement in strength and mobility, achieving the goals outlined in the initial rehabilitation plan.

Discharge Medications

- Medication A: Take 1 tablet twice daily
- Medication B: Apply as needed

Follow-Up Appointments

- Physical Therapy: September 20, 2023
- Occupational Therapy: September 22, 2023

Recommendations

The patient is advised to continue at-home exercises and follow the rehabilitation plan laid out by the therapy team.
