

Genetic Counseling Services

Date: [Insert Date]

Dear [Patient's Name],

We are reaching out to inform you about our genetic counseling services available for cancer risk assessment. Our team of experienced genetic counselors is here to help you understand your risk of developing cancer, based on your personal and family medical history.

During the counseling session, we will:

- Discuss your family history of cancer and any relevant personal medical history.
- Provide information on hereditary cancer syndromes.
- Explain the benefits and limitations of genetic testing.
- Guide you through the process of genetic testing if needed.

By participating in this assessment, you will gain valuable insights that can assist in planning for your health and the health of your family members.

If you would like to schedule an appointment or have any questions, please reach out to us at [Contact Information].

Thank you for considering our genetic counseling services. We look forward to supporting you on your health journey.

Sincerely,
