Dear [Patient's Name],

We hope this message finds you well. We are reaching out to discuss the results of your recent genetic testing.

After careful analysis, we would like to inform you that [briefly summarize the findings, e.g., the tests returned negative for the mutations tested, or specific mutations were identified].

It is important to understand what these results mean for you and your family. We recommend scheduling an appointment with our genetic counseling team to delve deeper into your results, explore any implications, and discuss potential next steps.

Please feel free to contact our office at [office phone number] or [email address] to arrange a meeting at your earliest convenience. We are here to support you and ensure that you have all the information you need.

Thank you for trusting us with your genetic testing journey.

Sincerely,
