

# Genetic Counseling Services for Prospective Parents

Dear [Prospective Parent's Name],

We are pleased to offer you our genetic counseling services as you prepare for the exciting journey of parenthood. Our team of certified genetic counselors is here to provide you with information and support regarding genetic risks and inheritance patterns that may affect your family.

## What We Provide:

- Comprehensive assessment of family history
- Discussion of genetic testing options
- Interpretation of test results
- Support in making informed decisions

We understand that this process can be overwhelming, and we are committed to ensuring you feel supported every step of the way. Our goal is to empower you with knowledge and resources to make informed choices for your family.

## How to Schedule an Appointment:

If you are interested in our services, please contact us at [Phone Number] or [Email Address] to schedule an appointment. We look forward to assisting you during this important phase of your life.

Warm regards,
