

# Allergy Testing Result Update

Dear [Provider's Name],

We are writing to provide you with an update on the allergy testing results for your patient, [Patient's Name], who was tested on [Test Date].

## Results Summary

Allergen	Result	Level
Pollen	Positive	High
Dust Mites	Negative	N/A
Mold	Positive	Moderate

## Recommendations

Based on the results, we recommend the following:

- Avoid exposure to identified allergens.
- Consider prescribing antihistamines for symptomatic relief.
- Schedule a follow-up appointment to discuss further management options.

If you have any questions or need further assistance, please do not hesitate to contact us.

Thank you for your continued collaboration in providing care for your patient.

Sincerely,  
[Your Name]
