Dear [Doctor's Name],

I hope this message finds you well. I am writing to request a travel health consultation in preparation for my upcoming adventure sports trip to [Destination]. The trip is scheduled for [Start Date] to [End Date] and will involve activities such as [List of Adventure Sports, e.g., hiking, skiing, diving].

Given the nature of these activities and the destination, I would like to discuss any recommended vaccinations, medications, and health precautions that I should take prior to my travel. Additionally, I would appreciate your advice on managing any potential health risks associated with adventure sports.

Could you please let me know your available times for a consultation? I am looking to schedule this appointment at your earliest convenience to ensure I am adequately prepared for the trip.

Thank you for your attention to this matter. I look forward to your prompt response.

Best regards,
