Subject: Proposal for Child Support Payment Modification

Dear [Recipient's Name],

I hope this letter finds you well. I am writing to discuss the current child support arrangement for [Child's Name(s)], which was established on [original agreement date]. Due to [briefly explain the reason for the modification request, e.g., changes in income, job loss, increased expenses], I would like to propose a modification of the current payment amounts.

As of now, the existing child support is set at [current amount], which has become increasingly difficult for me to sustain. I propose that the child support payments be adjusted to [proposed amount], effective [proposed start date]. This adjustment will ensure that I can continue to meet the needs of [Child's Name(s)] without compromising our financial stability.

I believe that this modification will serve the best interests of [Child's Name(s)] and ensure their ongoing support and well-being. I am open to discussing this proposal further and would appreciate your understanding and cooperation.

Thank you for considering this request. I look forward to your response.

Sincerely,

[Your Name]
