We hope this message finds you well. As we approach the upcoming season, we would like to propose an alternative payment strategy tailored specifically for your needs as a seasonal client.

- **Deferred Payment:** Delay the payment until the peak season when your revenue increases.
- **Discounted Prepayment:** Receive a discount for paying in full before the season starts.

Benefits

Implementing this alternative payment strategy will provide several benefits:

- Improved cash flow management during the off-season.
- Flexibility in payment scheduling to align with your revenue cycles.
- Cost savings through discounts and lower financial stress.
