

Remote Learning Technology Requirements

Dear Parents and Guardians,

As we prepare for our remote learning program, we would like to ensure that all students have the necessary technology to participate effectively. Below is a list of technology requirements:

Required Technology

- A reliable internet connection
- A computer, laptop, or tablet
- Headphones or speakers
- A webcam (built-in or external)
- Microphone (built-in or external)

Recommended Software

- Video conferencing software (Zoom, Google Meet, etc.)
- Productivity software (Google Docs, Microsoft Office, etc.)
- Access to educational apps as directed by teachers

If you have any questions or require assistance with technology access, please do not hesitate to reach out to our support team.

Thank you for your cooperation.

Sincerely,
The Remote Learning Team
