Dear [Student's Name],

As an international student, it is important to understand your reporting obligations regarding foreign income. This letter serves as a guide to help you navigate the requirements.

Understanding Foreign Income

Foreign income includes any money earned outside the country you currently reside in. This can include wages, investment income, and other forms of compensation.

Reporting Requirements

Please ensure you report foreign income on your tax returns as required by [Country/Region's Tax Authority]. Be aware of the following:

- Declare all foreign income earned during the tax year.
- Check if you are eligible for any foreign income exclusions or deductions.
- Maintain accurate records of all foreign transactions.

Resources

We recommend consulting with a tax professional who is familiar with international student regulations. In addition, you may find the following resources helpful:
