Dear [Client's Name],

I hope this letter finds you well. As a valued business owner, planning for your retirement income is crucial to ensure a smooth transition into your next phase of life.

With the right strategies in place, you can ensure that you have a steady income stream that supports your lifestyle and financial goals. Here are a few key areas we should focus on:

- Assessing your current financial situation
- Identifying potential income sources during retirement
- Exploring tax-efficient withdrawal strategies
- Considering the sale or transfer of your business
- Setting up a retirement savings plan tailored to your needs

I would like to propose setting up a meeting where we can discuss these points in detail and craft a personalized retirement plan for you. Please let me know your availability for the upcoming weeks, and I will do my best to accommodate.

Thank you for your attention to this important matter. I look forward to assisting you in securing your financial future.

Sincerely,
