

Retirement Plan Options

Date: [Insert Date]

Dear [Recipient's Name],

As you approach your retirement, we want to ensure you are fully informed about your retirement plan options. Below are several possibilities that may suit your financial needs and future goals:

1. 401(k) Plan

The 401(k) plan allows you to save and invest a portion of your paycheck before taxes are taken out.

2. Individual Retirement Account (IRA)

IRAs offer tax advantages for retirement savings, with several types available including Traditional and Roth IRAs.

3. Pension Plan

If you are eligible, a pension plan can provide a consistent income after retirement, based on your salary and years of service.

4. Health Savings Account (HSA)

An HSA can help with medical expenses in retirement, offering tax-free withdrawals when used for qualified medical expenses.

We recommend scheduling a meeting with a financial advisor to discuss these options further and make the best decision for your retirement. Please feel free to reach out if you have any questions.

Best Regards,
