Dear [Instructor's Name],

As part of our ongoing efforts to enhance the learning experience for students, we are conducting an opinion poll to gather feedback on the teaching methods employed in our class. Your insights are invaluable, and we hope to understand your perspectives on various aspects of our learning environment.

Poll Questions:

1. How effective do you find the current teaching methods employed in this course?
2. Which teaching method do you prefer the most? (e.g., lectures, group work, online resources)
3. Do you feel that the current methods cater to different learning styles? Why or why not?
4. What improvements or changes would you suggest for the course?
5. Any additional comments or feedback?

Please take a moment to respond to these questions by [insert deadline]. Your feedback will be anonymous and greatly appreciated.
