Subject: Objection to Estate Tax Valuation Findings for the Estate of [Deceased Name], Estate Tax ID: [Tax ID]

Dear Sir/Madam,

I am writing to formally object to the estate tax valuation findings communicated in your letter dated [date of the assessment letter]. The valuation presented in your findings significantly deviates from my own independent assessment and the appraisals I have obtained.

Specifically, the areas of disagreement include [list specific areas of valuation, e.g., real estate value, business assets, etc.]. According to my research and the attached documentation, the fair market value of these assets is considerably lower than what has been assessed by your department.

I have included the following supporting documents for your review:

- [Document 1: Description]
- [Document 2: Description]
- [Document 3: Description]

I request that you review the provided evidence and reconsider your valuations accordingly.  
Please confirm receipt of this letter and advise on the next steps in the review process.

Thank you for your attention to this matter.

Sincerely,
