

# Property Tax Assessment Reconsideration

To Whom It May Concern,

I am writing to formally request a reconsideration of the property tax assessment for my rental property located at [Property Address]. The current assessed value appears to be inconsistent with the market value and rental income potential.

According to my records, the property was assessed at [Current Assessed Value], which I believe is significantly higher than comparable properties in the area. The properties at [List comparable properties and their assessed values] support my claim of an inflated assessment.

I have enclosed documentation including rental income statements, recent property appraisals, and a comparative market analysis to substantiate my request.

I kindly request a review of the assessment and look forward to your prompt attention to this matter. Please feel free to contact me at [Your Phone Number] or [Your Email Address] should you require any further information.

Thank you for your consideration.

Sincerely,  
[Your Name]  
[Your Address]  
[City, State, Zip Code]
