Dear Admissions Committee,

I hope this message finds you well. I am writing to formally request a deferral of my admission to [College/University Name] for the upcoming academic year due to medical reasons. I was honored to receive my acceptance letter dated [Insert Acceptance Date], and it was a dream come true for me.

Unfortunately, I have been facing significant health challenges that require my attention and recovery before I can fully commit to my studies. After discussing my situation with my healthcare provider, it is clear that taking some time off to focus on my health is necessary for my long-term well-being and academic success.

I sincerely hope that you will consider my request for a deferral until the [Insert Date] semester. I am eager to become a part of the [College/University Name] community and am committed to resuming my education once my health allows.

Thank you for your understanding and consideration of my situation. I am happy to provide any necessary documentation or further information regarding my medical condition if needed.

Warm regards,
