Dear [Recipient Name],

I am writing to formally apply for a campus visit as part of my scholarship application process at [University Name]. As a prospective student deeply interested in [specific program or scholarship], I believe that experiencing the campus environment firsthand would greatly enhance my understanding and appreciation of what [University Name] has to offer.

During my visit, I would like to explore the campus facilities, meet with faculty members, and learn more about the scholarship opportunities available to students. I am particularly interested in [mention any specific interests related to the scholarship or university].

Please let me know if there are any specific dates available for a visit, and I would be more than happy to accommodate. Thank you for considering my request. I look forward to your positive response.

Sincerely,

[Your Name]
