Dear Admissions Office,

I am writing to express my intention to apply for the college entrance exam to pursue my educational goals as a non-traditional student at [College/University Name]. After taking time away from formal education to [briefly explain reason, e.g., work, family commitments], I am eager to return to academia and further my studies in [intended major or field of study].

I believe my life experiences and maturity will contribute positively to the college community. I am committed to demonstrating my readiness for academic challenges and contributing to the rich diversity on campus.

Please find attached the required documents as per your application guidelines. I look forward to the opportunity to take the entrance exam and hopefully join [College/University Name].

Thank you for considering my application. I am looking forward to your positive response.

Sincerely,
