

Subject: Request for Assistance with College Application Process

Dear [Recipient's Name],

I hope this message finds you well. I am currently in the process of applying to colleges and am reaching out to seek your guidance and support.

As you know, the application process can be quite overwhelming, and I want to ensure that I present my best self through my applications. I would greatly appreciate any assistance you could provide, whether it be advice on personal statements, insights into interview preparation, or general tips on choosing the right schools.

If you have some time to spare, I would love to schedule a meeting to discuss this further. Your experience and guidance would mean a lot to me during this critical time.

Thank you for considering my request. I look forward to hearing from you soon.

Sincerely,
