

# Letter of Interest for Undergraduate Research Opportunities

Dear [Professor/Dr. Last Name],

I hope this message finds you well. My name is [Your Name], and I am a [Your Year, e.g., sophomore] studying [Your Major] at [Your University]. I am writing to express my interest in any undergraduate research opportunities within your lab/research group.

Having developed a keen interest in [specific area of research], I am eager to deepen my understanding and contribute to ongoing projects. I have taken relevant coursework, including [list relevant courses], and I have experience with [mention any relevant skills or experiences, e.g., laboratory techniques, software, or projects].

I am particularly fascinated by your work on [mention specific research or projects], and I believe my skills and enthusiasm would be a valuable addition to your team.

If possible, I would greatly appreciate the opportunity to meet with you to discuss any potential research positions you may have available. Thank you for considering my inquiry. I look forward to hearing from you.

Sincerely,

[Your Name]  
[Your University]
