Subject: Technology Asset Loan Collateral Documentation

Dear [Lender's Name],

This letter serves to provide the necessary documentation regarding the technology assets being used as collateral for the loan application submitted on [Insert Loan Application Date]. The following items are included as part of the collateral:

- Asset Description: [Description of Asset 1]
- Asset Serial Number: [Serial Number 1]
- Asset Value: [Market Value 1]
- Asset Description: [Description of Asset 2]
- Asset Serial Number: [Serial Number 2]
- Asset Value: [Market Value 2]

Please find attached copies of the purchase receipts, warranties, and any other relevant documentation related to these assets.

Should you require any further information or additional documentation, please do not hesitate to contact me at [Your Phone Number] or [Your Email Address].

Thank you for your attention to this matter.

Sincerely,

[Your Name]

[Your Title]

[Your Company Name]

[Your Company Address]

[City, State, Zip Code]
