Dear [Recipient's Name],

I am writing to propose the initiation of an inter-university exchange program between [Your University] and [Recipient's University]. This program aims to enhance academic collaboration, cultural exchange, and shared learning experiences for our students and faculty.

The proposed exchange program would provide students with the opportunity to experience different educational systems, gain new perspectives, and build international networks. Additionally, faculty members could engage in collaborative research projects and share best practices in teaching methodologies.

We believe this initiative would significantly benefit both institutions and promote a global understanding among our students.

I would be happy to discuss this proposal in more detail at your convenience. Thank you for considering this opportunity for our universities.

Warm regards,
