Dear [Developer's Name],

I hope this message finds you well. I am reaching out on behalf of [Your Organization], a nonprofit dedicated to [briefly describe your organization and its mission]. We are currently seeking pro bono support for a software development project that we believe will significantly enhance our ability to serve our community.

The project involves [briefly describe the project, its goals, and the target users]. We believe that your expertise in [mention specific technologies or skills] would be invaluable in bringing this project to life.

We are looking for a partnership that allows us to collaborate closely, and we would be happy to discuss how we can support your involvement through recognition, testimonials, or other means.

If you are interested, I would love to arrange a time to discuss this opportunity further. Thank you for considering our request, and I look forward to hopefully working together to make a positive impact.

Warm regards,
