

# Post-Surgery Care Tips

Dear [Patient's Name],

Congratulations on your recent surgery! To ensure a smooth and speedy recovery, please follow these essential care tips:

## **1. Follow Medication Instructions**

Take all prescribed medications as directed by your physician.

## **2. Manage Pain**

Use pain management techniques as discussed. Contact your doctor if pain is unmanageable.

## **3. Rest and Recovery**

Get plenty of rest and avoid strenuous activities. Allow your body time to heal.

## **4. Monitor Surgical Site**

Keep an eye on your incision. Look for signs of infection such as redness, swelling, or discharge.

## **5. Stay Hydrated and Nourished**

Drink plenty of fluids and maintain a balanced diet to support healing.
