Instructions for Completing Your Credit Card Payment

Dear Customer,

Thank you for choosing our services. To complete your credit card payment through our website, please follow these steps:

1. **Visit our website:** Open your browser and go to www.example.com.
2. **Log in to your account:** Click on the 'Login' button and enter your username and password.
3. **Navigate to the payment section:** Select 'Payments' from the menu.
4. **Choose your payment method:** Select 'Credit Card' as your payment option.
5. **Enter your credit card details:** Fill in your credit card number, expiration date, and CVV.
6. **Review your order:** Ensure all details are correct before proceeding.
7. **Submit your payment:** Click on the 'Submit' button to complete the transaction.

If you encounter any issues, please feel free to contact our customer support at support@example.com.

Thank you for your prompt payment!

Sincerely,
Your Company Name
