Dear [Recipient Name],

I am writing to formally request credit monitoring services. Given the increasing concerns regarding identity theft and credit fraud, I believe that monitoring my credit report is an essential step to safeguard my financial health.

Please provide information on your available credit monitoring services, including pricing, features, and the process for enrollment. I am particularly interested in services that offer alerts for any changes to my credit report.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
