

Credit Card Transaction Safety Guidelines

Dear Valued Customer,

We prioritize your security and want to ensure that your credit card transactions remain safe. Please adhere to the following guidelines:

- **Monitor Your Statements:** Regularly check your account statements for unauthorized transactions.
- **Secure Your Information:** Never share your credit card details or PIN with anyone.
- **Use Secure Connections:** Ensure you are using a secure and private internet connection when shopping online.
- **Be Wary of Phishing Scams:** Do not click on links from unknown emails or messages requesting your credit card information.
- **Enable Alerts:** Set up transaction alerts to stay informed about your credit card activity.
- **Report Suspicious Activity:** Contact us immediately if you suspect fraud or notice any unfamiliar transactions.

Thank you for your attention to these safety measures. Your security is our top priority.

Sincerely,
Your Financial Institution
