

Hospital Visitation Guidelines for Family Members

Dear Family Member,

We are pleased to welcome you to our hospital. To ensure the safety and well-being of all patients, staff, and visitors, please adhere to the following visitation guidelines:

Visitation Hours

Visiting hours are from 10:00 AM to 8:00 PM daily. Please respect these hours to allow for patient care and rest.

Visitor Limit

Each patient is allowed a maximum of two visitors at a time. Please coordinate with other family members to ensure compliance.

Health and Safety Protocols

- Please wear a mask at all times while in hospital premises.
- Practice hand hygiene by using hand sanitizer provided throughout the facility.
- If you are feeling unwell or have been in contact with a confirmed case of illness, please refrain from visiting.

Special Considerations

For patients in isolation or critical care, special visitation guidelines may apply. Please check with the nursing staff for specific instructions.

Contact Information

If you have any questions or concerns regarding visitation, please contact our visitor services at (555) 123-4567.

Thank you for your cooperation and understanding.

Sincerely,
[Hospital Name] Management
