

Hand Hygiene Compliance Reminder

Dear [Staff/Team Name],

This is a friendly reminder about the importance of hand hygiene compliance in our facility. Ensuring that we maintain high standards of hand hygiene is crucial for the safety of our patients and ourselves.

As a part of our ongoing commitment to infection prevention, please remember to:

- Wash your hands with soap and water for at least 20 seconds.
- Use hand sanitizer when soap and water are not available.
- Follow the hand hygiene protocols before and after patient contact.

We appreciate your dedication to providing a safe environment. Let's work together to improve our hand hygiene practices!

Thank you for your attention to this important matter.

Sincerely,
[Your Name]
[Your Position]
[Your Organization]
