

Notice to Parents/Guardians

Date: [Insert Date]

Dear Parents/Guardians,

We are writing to inform you about potential side effects following the recent vaccination administered to students at [School Name]. It is important for you to be aware that some children may experience mild to moderate side effects.

Common Side Effects

- Soreness at the injection site
- Fatigue
- Headache
- Muscle pain
- Fever

These side effects are typically mild and resolve on their own within a few days. However, if you notice any severe reactions or persistent symptoms, please seek medical advice immediately.

For any concerns or questions, do not hesitate to reach out to our school health office at [School Health Office Contact Information].

Thank you for your attention to this important matter.

Sincerely,
