Dear [Recipient's Name],

We are pleased to welcome you to our Maternity Care Services. We understand that the arrival of your new infant is a special time, and we are committed to providing you with the guidance and support you need for your infant's care.

## Infant Care Guidance

Here are some key aspects of infant care that we recommend:

- **Feeding:** We encourage breastfeeding as optimal nutrition for your baby. If you are unable to breastfeed, please consult us about formula options.
- **Sleep:** Ensure your baby has a safe sleeping environment. Always place your infant on their back to sleep.
- **Hygiene:** Regularly bathe your baby and change diapers to maintain good hygiene.
- **Health Check-ups:** Schedule regular pediatric appointments to monitor your baby's growth and development.

For any questions or concerns, please reach out to our dedicated team at [Insert Contact Information]. We are here to support you throughout this journey.

Warm regards,
